

Certificate IV in Leadership and Management

“Understanding the difference between great leaders and great managers is vital to success.”

About the course

The BSB42015 Certificate IV in Leadership and Management is designed for individuals who are developing or emerging leaders and managers in a range of enterprises and industry contexts.

Duration: This course will be delivered through Recognition of Prior Learning. Our website can give you more details of how your experience will be assessed.

This course includes

- Communicating effectively as a workplace leader
- Leading effective workplace relationships
- Implementing operational plans
- Leading team effectiveness

Entry requirements

Students will need suitable Language, Literacy and Numeracy (LLN) skills to complete the qualification.

The student should also have work/life experience relevant to the course units.

Where to from here?

Job prospects from this course exist across multiple industries and sectors due to the need in most industries for leadership and management. Roles might include Team Leaders, Coordinators, Business Managers and human resource team members. Students might also go on to further training in leadership and management.
