

# Certificate IV in Project Management Practice

"This course helped me bring a theoretical and efficient approach to my work."

## About the course

The BSB41515 Certificate IV in Project Management Practice is suited to autonomous individuals who identify and apply project management skills and knowledge in a wide variety of contexts.

**Duration:** This course will be delivered through Recognition of Prior Learning. Our website can give you more details of how your experience will be assessed.

## This course includes

- Applying project scope management techniques
- Applying project time management techniques
- Applying project quality management techniques.

## Entry requirements

Students will need suitable Language, Literacy and Numeracy (LLN) skills to complete the qualification.

The student should also have work/life experience relevant to the course units.

## Where to from here?

Job prospects from this course exist across multiple industries and sectors due to the nature of project work. Roles might include Contracts Officers, Project Administrators, Quality Officers and Small Business Operators.

## Recognition of Prior Learning (RPL) and Credit Transfers (CT)

Learners will be provided information about RPL and Credit Transfers prior to or upon enrolment and can discuss their application with their Trainer.

You can learn more about the RPL process at [www.maxsolutions.com.au/training](http://www.maxsolutions.com.au/training)

## Unique Student Identifier (USI)

All students undertaking Nationally Recognised Training in Australia will need to have a USI, Unique Student Identifier.

You will need your USI in order to apply to enrol for training.

Visit [www.usi.gov.au](http://www.usi.gov.au) for more information.

## Units of Competency

Your experience will be assessed against the following units.

You should be able to:

- BSBPMG409 Apply project scope management techniques
- BSBPMG410 Apply project time management techniques
- BSBPMG411 Apply project quality management techniques
- BSBPMG412 Apply project cost management techniques
- BSBPMG413 Apply project human resources management approaches
- BSBPMG414 Apply project information management and communications techniques
- BSBPMG415 Apply project risk management techniques
- BSBPMG416 Apply project procurement procedures
- BSBPMG417 Apply project life cycle management processes

## Further Training

In the event there is insufficient evidence for a particular unit, gap training will be arranged.
