

Diploma of Leadership and Management

“Leadership is
the capacity to
translate vision
into reality”

About the course

The BSB51915 Diploma of Leadership and Management is suited to individuals in management or leadership positions who already need to use initiative and judgement in planning, designing and evaluating solutions to achieve business goals.

Duration: This course will be delivered through Recognition of Prior Learning. Our website can give you more details of how your experience will be assessed.

This course includes

- Managing operational plans
- Leading and managing effective workplace relationships
- Managing people performance and team effectiveness

Entry requirements

Students will need suitable Language, Literacy and Numeracy (LLN) skills to complete the qualification.

The student should also have work/life experience relevant to the course units.

Where to from here?

Job prospects from this course exist across multiple industries and sectors due to the need in most industries for leadership and management. Roles might include Business Managers, Senior Team Managers in sales, human resources managers and lead on to Executive and Managing Director positions.
