# Digital tools to support you

Once you start with our services you'll get access to MAX Connect - a suite of online services to support your experience with us.

## maxConnect Jobmatch

**A better way to match to jobs that suit you.**

By completing your profile in Jobmatch with questionnaires such as **Get to Know You** (when you first join our service) and **Staying in work** (once you find a job), we can better understand you and your needs. This information enhances our understanding of you, in turn making it easier to find jobs that suit you and your circumstances.

## maxConnect Wellness

**Take control of your health and wellbeing.**

Depending on your circumstances, Wellness could support you to improve your health and wellbeing. It includes health and activity trackers, a large health library, and trusted information on anything from mental health to employment to financial support.

## Your Workforce Australia employment service with MAX

### What you can expect.

#### Initial Contact

Before your initial appointment, we will send you a welcome pack with key information about how to get started, how to access our digital platform MAXConnect Jobmatch and key support information.

#### Getting to Know You

It is important for us to understand you as a person, not just someone who is looking for work. From the outset, we will Get to Know You by asking you about things such as:

- > Personal goals
- > Career goals
- > Skills and experience
- > Interests and hobbies that could link to a vocational pathway
- > Motivation
- > Circumstances that may impact your job prospects

These considerations help guide us to jointly set goals and actions. These are captured in your Individual Support Plan and will inform your Job Plan. Your Job Plan also identifies actions and activities to help fulfil your Mutual Obligation requirements.

#### Digital Support

MAXConnect is a customer platform that provides 24/7 resources and support for our customers, available online or via mobile and integrates with your service with us:

- > **MAXConnect Jobmatch**  
An online job search tool that helps us match you to opportunities with our employer partners.
- > **MAXConnect Wellness**  
Depending on your circumstances, you may be able to access our wellness tool giving you control of your health goals, through a combination of knowledge, support and activity tracking.

#### Work preparation and resources

Your Job Coach will:

- > Arrange a schedule of contact frequency and mode
- > Coordinate support with physical and mental health coaches and community health providers where required
- > Introduce you to suitable group activities
- > Check progress and update your Job Plan
- > Support you to identify and connect with activities to help meet your Mutual Obligation requirements and monthly Points Based Activation Target
- > Connect you with meaningful work and work like activities to improve employability skills and prospects.

## Assistance into work

Support to find and place you into work or help you find your own job involves:

- Asking questions to **Get Ready for Work** to identify support requirements you might need so you can be successful
- A focus on identifying roles you are most likely to succeed in informed by your co-designed **Individual Support Plan**
- Access to work experience, activities and employment with our employer and community networks
- Job tasters, Qualify and Prepare sessions from our Employer Business Centre teams
- Send you job alerts and updates
- Job fairs in person and on-line.

## In Work Support

Staying connected is an important part of our work to help you perform at your best in your new role - even if you find the job yourself. Your **Individual Support Plan** will detail how we do that best and might include:

- An agreed phone call schedule for us stay in touch with both you and your new employer
- Place of work visits both before and after to help you settle in
- Onsite mentoring and mediation for you and your employer where needed
- Specialised Health Coach support to identify problems or issues that might prevent you from staying in work
- Connections to other community support services.
